

GREEN EARTH® NO RINSE FLOOR CLEANER

Concentrated Green Earth® No Rinse Floor Cleaner is uniquely formulated with a proprietary blend of grease cutting surfactants and solvents that digest complex proteins, starches and fats eliminating their associated odors found in food service and other applications. Green Earth® No Rinse Floor Cleaner aids in reducing slip and fall incidents as the grease cutting surfactants and solvents digest oils and greases that make quarry tile slick. Non-pathogenic bacteria goes to work on breaking down organic soils in drains, complimenting any existing drain maintenance program. Contains no phosphorous, APE or NPE. Specifically designed to address today's safety, health and environmental concerns. Not for use on food prep or food contact surfaces.

Uses

- Foodservice quarry tile
- Restrooms
- Shower stalls
- Tile and grout
- Restaurants
- Food processing areas
- Cafeterias
- Institutional kitchens
