

GREEN EARTH® URINAL TOSS BLOCKS

Green Earth® Urinal Toss Blocks urinal blocks are formulated using a proprietary blend of bacterial cultures capable of degrading uric acid, the leading cause of odors in urinals. This environmentally friendly non-PARA/pDCB product also combines biological cleaning with incremental cleaning and water softening ingredients, odor blocking fragrance, and coloring. Green Earth® Urinal Toss Blocks deliver powerful BioActive components which reduce urinal malodors at their source and refresh the restroom environment with a clean, fresh fragrance. This Green Earth® BioActive Solution performance enhanced with Accelerator a proprietary blend of nutrients and bio-stimulants that deliver fast performance in even demanding applications.
